

***Extending a Hand to New Members:  
Become a Beth Sholom Host***

We would like to match each new member (individuals, couples, families) who wants to participate with an established Beth Sholom congregant or family who will help them navigate the opportunities available at the synagogue. Hosts will contact the new family, have a visit with them, invite and accompany them to a couple of Beth Sholom events, and be available for questions for the first year. If you are interested in performing the mitzvah of "welcoming the stranger," please fill out this page and mail it to: Congregation Beth Sholom, 7525 E. Northern Lights Blvd., Anchorage, AK 99504, or fax it to (907) 337-4013.
